

Interkultur
Munin

***An alumni organization
for AFS'ers***

What is Munin?

AFS MUNIN is an alumni organization that supports AFS Interkultur (the Danish AFS partner).

Members of MUNIN are former AFS exchange students above the age of 30, host families and others, who in different ways support the objectives of the organization.

In the Nordic mythology Munin was one of the god Odin's two ravens that represented memory. (The other was Hugin representing thought. They flew out at dawn and returned in the evening to report to Odin).

AFS MUNIN was founded on October 8, 2002. The objective is that former AFS exchange students and others, who still wish to support the idea and the continuation of the exchange programs, can offer their contribution by means of an annual payment.

Why MUNIN?

The most important public subsidy to AFS Interkultur is dependant on the age of the AFS Interkultur members. To receive this subsidy more than half of the members must be below the age of 30. Therefore senior members decided to form Munin and redirect their contributions to Munin.

What are the contributions spent on?

MUNIN allocates the income from the contributions on support to AFS activities in Denmark - primarily program related purposes such as grants to applicants without sufficient financial means. The objective is to support diversity among the applicants. The Board of AFS Interkultur nominates the candidates for the grant.

Membership

The annual contribution is 300 DKK (€40) per person. Families contribute with 500 DKK (€70) and business memberships are available for 2.000 DKK (€270).

The members

The Board of MUNIN continuously works on increasing the number of members.

Activities for the members

MUNIN is also a social association for its members. The annual meeting – combined with the annual assembly - takes place in October. Both at this event and at the annual spring meeting one or more speakers are invited, most often from the circle of members. Besides this Munin and its members arranges other membership activities through the year.

Furthermore, information about the work of Munin is published in the AFS Interkultur's magazine 'Udblik' ('Outlook'), which is also distributed to all MUNIN members.

Information on Munin can also be found on AFS Interkultur's homepage: <http://www.afs.dk/om-afs/munin/>.

The Board

The Board of MUNIN has four members elected at the annual assembly, plus one member appointed by AFS Interkultur, and two substitute members who take active part in the work of the Board.

For more information about MUNIN you are welcome to contact any Board member or the office of AFS Interkultur. Contact information on the back of the folder.

Jubilee Foundation

Members of Munin decided to establish a Jubilee Foundation at AFS Interkultur's 50th anniversary in 2007. At the annual meeting and assembly Munin's Jubilee Foundation awards an active AFS'er for his or her present voluntary effort and work.

Anyone who wishes to contribute is more than welcome, and through that be part of honouring a present volunteer's effort and work for AFS.
